

110

The 110 features a slim, compact design, making it suitable for older buildings or narrow staircases. With a payload capacity of 150kg, its adjustable extension handle provides a comfortable operating position, while the integrated footrest ensures a secure place for the passenger's feet. The unique friction belt system allows a smooth, controlled descent, ensuring safety and comfort for passengers.

Specification

Height	1100mm (folded)	1320mm (unfolded)
Width	460mm (folded)	460mm (unfolded)
Depth	245mm (folded)	1070mm (unfolded)
Weight (unladen)	11.5kg	-
Payload Capacity	150kg	-
Stair Angle	28° - 40°	-

Features

- 1. Multi height extension handle**
For ease of horizontal movement (use fully extended for descent).
- 2. Adjustable passenger head strap**
Limits movement, securing the passenger in place.
- 3. Sewn-in safety belt**
Improves safety and durability.
- 4. Unique friction belt system**
Self-braking track to control smoothness and speed of descent.
- 5. Optimised kickstand, with repositioned rear wheels**
Improves stability and enhances operator handling.
- 6. Large 100mm castor wheels**
Ideal for operation over uneven terrain.
- 7. Foldable Footrest**
For added passenger comfort and safety.
