# FIRECHIEF® LOCATE REMOTE CONTROL

**FIRECHIEF®**  
making the world a safer place

## PROTECT YOUR FAMILY WITH FIRECHIEF® HOME ALARMS.

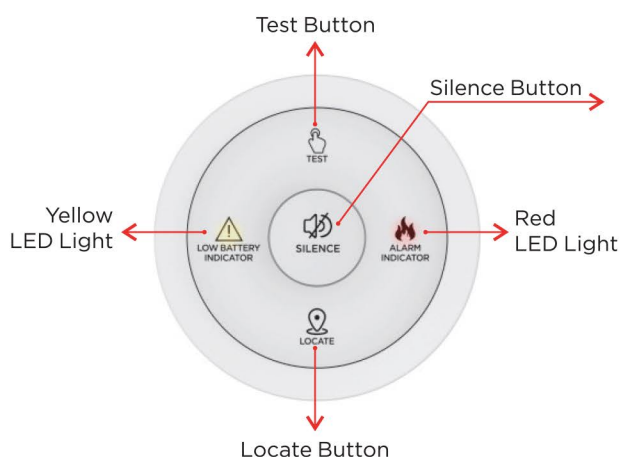

Enhance your home safety system with the Firechief® Locate Remote Control, designed to centralise the monitoring and management of multiple fire alarms in one handy device.

It is compatible with all alarms in the Firechief® Home Wireless Alarm Range including Smoke, Heat and Carbon Monoxide alarms on the same system.

Featuring a user-friendly interface and straightforward installation process, the Firechief® Locate Remote Control guarantees efficient and reliable operation without the need for complex wiring. It enables the user to easily locate which alarm has sounded, helping to identify the danger and enabling appropriate action.

Its sleek, modern design complements any home decor while delivering critical functionality. Trust the Firechief® Locate Remote Control to streamline your home safety management, ensuring peace of mind and robust protection for your household.

## MODEL: FRCW

### THREE KEY FUNCTIONS

TEST

Easily test the alarms without needing to reach and press button on alarm itself

SILENCE

Silences all alarms in the system.

LOCATE

Silences all alarms in the system apart from the one that initially triggered
